Subject :Intimation To National Stock Exchange Regarding Business Update

Ref: Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015

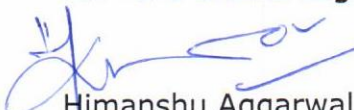

Dear Sir/Madam,

Pursuant to Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015, we are glad to inform you that, the Company "Tara Chand Logistic Solutions Limited" has successfully executed a rare feat of Transporting and Launching/Erecting 06 Precast Elements (Total weight of 794MT) – 04 U Girders of 166MT each and 02 Pier Caps of 65MT each in a single night at the Mumbai Metro Line 5 project. Our company is executing these construction activities under contract with Afcons Infrastructure Limited with the principal employer being the Mumbai Metropolitan Regional Development Authority (MMRDA). The Tara Chand team achieved this improbable feat on the busy roads of Bhiwandi-Kalyan corridor with meticulous planning, adherence to all safety guidelines and efficient use of its very young recently acquired equipment especially its All Terrain Cranes of 400MT and 450MT capacities, Heavy Duty Puller Trucks coupled with hydraulic axles and Multi axle trailers.

This is for your information and record.

Thanking you,
Yours truly,

For Tara Chand Logistic Solutions Limited

#MMRDAMetroUpdate

We're putting in more efforts to capitalize on reduced traffic on roads & push forward the metro works. These are the highlights of four U-Girders & two Pile-Caps being erected last night on Metro Line 5.
