Ref: Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015, we are glad to inform you that the Company "Tara Chand Logistic Solutions Limited" is contributing towards a key refinery maintenance and capacity expansion project of Hindustan Petroleum Corporation Limited (HPCL) at Mumbai. Our company has deployed its brand new large cranes ranging from 80MT to 150MT lifting capacities to execute the very specialized jobs required for such a critical project. These cranes were acquired by the company in Q4 of FY 2020-21 from Zoomlion, one of the world's largest manufacturers of such cranes. The latest features of these cranes like longer boom lengths, compact designs and advanced safety equipment make these cranes the ideal choice for execution of critical refinery maintenance and expansion projects.

HPCL intends to augment the capacity of this refinery to 1,90,000 barrels per day from its present capacity of 1,50,000 bpd as per a company statement. The project is expected to be completed by July 2021.

This is for your information and record.

Thanking you,  
Yours truly,

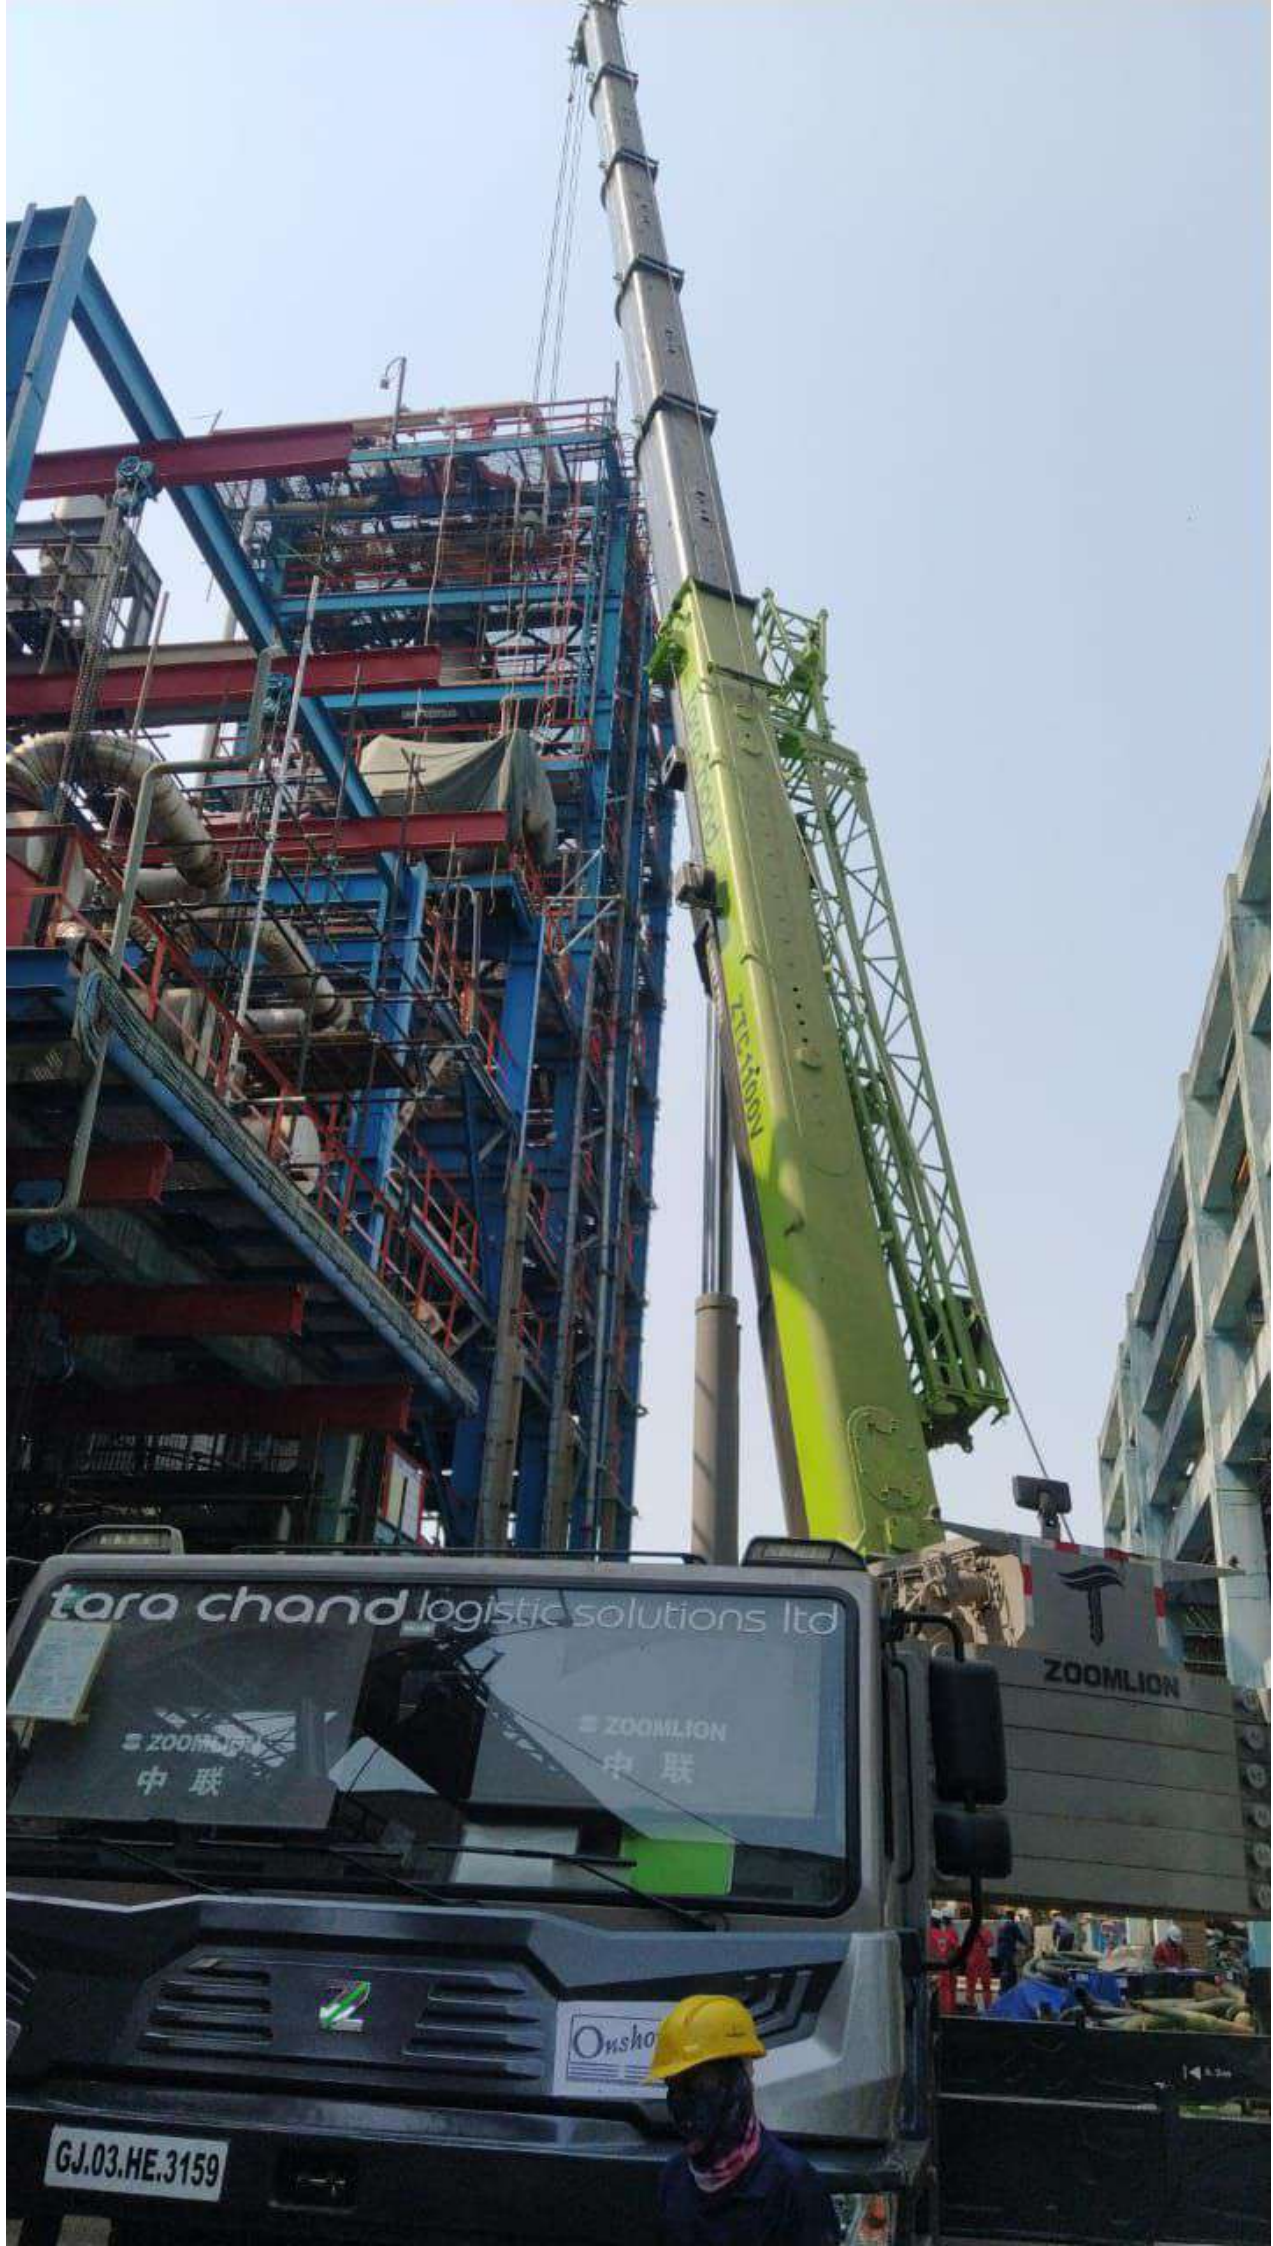

For Tara Chand Logistic Solutions Limited
