Ref: Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015.

Dear Sir,

Pursuant to Regulation 30 read with schedule III of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015, we are glad to inform you that, the Company "Tara Chand Logistic Solutions Limited" was awarded a contract earlier this year for Transportation and Erection of Precast Elements for the Mumbai Metro Line 5, a project being executed by the Mumbai Metropolitan Region Development Authority (MMRDA) at Bhiwandi, Thane.

Our company has exhibited exemplary speed in carrying out the required works by completing the launching of 100 UGirders (28m length) in just 107 days and 100 Pier Caps in early July at a record pace for the Thane District. This feat has been achieved despite the challenges brought upon by the Covid 19 second wave that hit the region in March 2021. The entire scope of work is expected to be completed by December 2022.

The company appreciates the dedicated and committed efforts of its team members working on this project. We are grateful to our esteemed clients for their continued trust and faith in our services and solutions dedicated towards the fast paced infrastructure development of our Nation.

This is for your information and record.

Thanking you,
Yours truly,

For Tara Chand Logistic Solutions Limited

Ajay Kumar
Whole Time Director
